

## Caring for Your Car

Founders Goh Jen Nee  
and GT Tan

**Prominent Autotech is your one-stop 2S-centre for automotive service and repair. It provides a full range of fixed-price services, each performed in a structured series of operating procedures to ensure faster and more efficient performance servicing. Prominent Autotech started operations in September 2010 and has since gained a strong customer following in this automotive service industry; this is the choice automotive service provider especially for car owners whose car warranties have expired.**

Prominent Autotech offers a complete range of car-servicing options, from oil changes and brake-pad replacement to engine overhaul. With its focus on Mercedes-Benz, BMW and Toyota vehicles, Prominent Autotech is equipped with the latest diagnostic tools to provide a comprehensive and accurate service. There is the Star Diagnosis Compact 4 system for Mercedes-Benz vehicles, a high-tech diagnostic equipment that provides reliable electronic analysis for significantly improved performance.

For BMW vehicles, the Integrated Service Information Display (ISID) provides fast and precise troubleshooting as well as repair of even the tiniest problem.

The company employs highly trained personnel from this industry to provide first-class service. Technical staff is highly qualified, some with over 30 years of experience in this line of duty. The Director of Service Operation, GT Tan, is a graduate of Mercedes Training Centre and was crowned champion of Mercedes-Benz Malaysia's Skills Competition in 2008. Every staff receives constant update and instructions on the latest technical innovations and procedures; such is the testament to the dedication of this company in providing the best for your cars.

Prominent Autotech operates from a 20,000 square feet-facility that houses 10 service bays, each with its own hoist. Plans to further increase its service bays are already in place. There is also a warehouse that is well stocked with a wide assortment of vehicle spare parts.

While waiting for cars to complete a standard service, customers can relax with a cup of fresh coffee at the comfortable rest lounge. Here, customers can catch up on the latest programme on Astro or surf the internet via a complementary Wi-Fi connection. Prominent Autotech also offers personalised pick-up and drop-off service by appointment only. 📍
